- b) the Search Report received in the corresponding application pending in the European Patent Office (and an English language translation thereof if required); and
- c) the documents cited by the European Patent Office in the Search Report (except for documents previously submitted, U.S. Patents, or U.S. Patents submitted as English equivalents) listed on the attached Form PTO-1449.

Concise statements of the presently understood relevance of each of the documents cited in the specification are found in the specification filed.

This Information Disclosure Statement should not be construed as a representation that a search has been made, that additional information material to the examination of this application does not exist, that any document mentioned herein constitutes prior art, or that the documents listed severally or in any combination with one another or with any other information, are believed to render any claim in the subject application prima facie unpatentable.

Respectfully submitted,

By
